

# Interprofessional Educator Certificate

In this new certificate program, participants will learn to:

- Guide teams in interprofessional educational, practice, and scholarly activities including team facilitation and debrief.
- Create interprofessional educational and/or practice experiences according to published (IPEC competencies) national best practices in line with their program accreditation standards or their licensure rules.

## Program Description

Designed by the Interprofessional Educators & Practitioners Association with contributions from over 80 faculty from across the OUHSC campus and the School of Social Work, this foundational certificate will provide virtual learning modules and facilitated group discussion and activities on various topics including the **Interprofessional Education Collaborative (IPEC) core competencies**. The program will be initially offered to all faculty, staff, postdocs, and graduate students at any of the University of Oklahoma (OU) campuses who have interest in leading interprofessional teams.

**Accepting Applications through August 1, 2022!**
