COMPETENCY

Interdisciplinary/Interprofessional Education competencies are based on the [IPEC Core Competencies for Interprofessional Collaborative Practice](#). Coursework should address one or more of the competencies.

IPEC Competency	Brief Explanation
<input type="checkbox"/> Communication	
<input type="checkbox"/> Roles & Responsibilities	
<input type="checkbox"/> Values & Ethics	
<input type="checkbox"/> Teams & Teamwork	

INTER

The World Health Organization defines Interprofessional Education as occurring “when two or more professions learn about, from, and with each other.”¹ This is the international standard guiding interprofessional programming. Each project must provide an opportunity for students to meet this standard. Select one or more of the below areas and describe how the project will meet this standard. A strong application will address all three.

IPE Area	Brief explanation on what/how participants will achieve this standard.
<input type="checkbox"/> Learn FROM each other	
<input type="checkbox"/> Learn WITH each other	
<input type="checkbox"/> Learn ABOUT each other
