Fall 2024-2025 Request for Proposals

**PURPOSE**

The purpose of this seed grant is to develop new and innovative curricular/educational projects related to interprofessional education and practice in alignment with the [University of Oklahoma Health Sciences Strategic Plan](#). The goal is to engage faculty (staff and students) in developing high quality pilot tested educational offerings that can be adopted for future interprofessional programming at The University of Oklahoma Health Sciences.

**ELIGIBILITY**

- Confirm IEPA membership by completing the short online [IEPA Membership form](#).
- Collaborate with an interprofessional team including at least three faculty/staff, and student members, each from at least three different professions from at least two different colleges, at The University of Oklahoma Health Sciences, or OU Norman.
- IEPA Grants Subcommittee members may submit applications but must recuse themselves from voting.

**GUIDELINES**

- A project must include three or more professions working as an interprofessional team on a health care related issue or topic addressing one or more [interprofessional competencies](#). Participation must include diversity both in investigators and student participants.
- All applicants must be formally affiliated with OU at the time of application and implementation of the project.
- Seed grant recipients who successfully complete pilot project components on time as approved by the sponsors, and meet the grant requirements, are eligible to apply for a subsequent seed grant award.

**PROPOSAL FORMAT**

Applications are available online at: [Application Forms](#).

Proposals should include:

1. Project abstract
2. Narrative Section including goals/objectives, proposed plan of work, role of activity in interprofessional programing, applicant's background, methods of assessment, a timeline, demonstration of feasibility, and how your project aligns to the [OU Health Sciences Strategic Plan](#)
3. Itemized budget that can include personnel costs, equipment, supplies, travel, etc., and supporting narrative

Applications should be [submitted online](#).

**FUNDING RANGE**

Award amount will be based on the proposed budget and will not exceed \$4,000 per approved seed grant. When the quality of several submitted research proposals is equal, awards may be distributed across multiple applications.

**SELECTION PROCESS**

- A [scoring rubric](#) will be used to evaluate all applications.
- Applications will be reviewed by the IEPA Grants Subcommittee. Preliminary reviews are available – by request.
- Applications will be scored following the October 18, 2024 application deadline.
- Final approval is made by the Vice Provost for Academic Affairs & Faculty Development.
- All applicants will be notified regarding their status by December 13, 2024.
